

## WHY GO BY TRUCK?

Go By Truck reinvents the shipper and carrier relationship through a specialized process and completely custom technology designed specifically to address the biggest pain-points for our customers. Our unparalleled transparency, superior service, and innovative process, allow organizations to gain a deep visibility into their logistics operations while building new, lasting carrier relationships. At Go By Truck, we understand the uniqueness of each business' supply chain and that a custom approach to strategy is required for optimal success. We treat your business as if it were our own and we leave no stone unturned when finding every area we can provide both cost-savings and service improvements to your organization.

### WHAT MAKES US DIFFERENT

Due to our complete transparency, Go By Truck becomes an extension of your team, allowing you to focus on your core business while we take care of all of your transportation and warehousing needs.

- UNPARALLELED TRANSPARENCY**  
Transparency is no longer a taboo word in transportation, at Go By Truck our customers have access to all of the information that our internal team does. You can see every carrier, every price and yes, even our profit.
- CARRIER VERIFICATION**  
Go By Truck knows if a carrier's insurance expires even before they do. Every 24 hours we certify carrier insurance, authority and safety.
- FTL AND LTL TRANSPORTATION SERVICES**  
At Go By Truck, we analyze your organization's entire freight spend and utilize our strategic carrier relationships that specialize in your specific regions in order to provide both cost-savings and significant service improvements. We excel at transporting both dry and reefer FTL and LTL shipments.
- GEO-TRACKING**  
Using unique technology, internal/external facilities are notified and can visually track; ontime, late, picked-up and delivered shipments.
- REPORTING**  
Custom KPIs automate and suggest actions, efficiently optimizing your supply chain and cutting accessorial, carrier and seasonal costs.
- WAREHOUSE MANAGEMENT**  
Go By Truck enables businesses to have deep visibility, even at the inventory level. Through a variety of partnerships with storage facilities across the nation, we utilize the best service providers in the industry to further optimize efficiencies in your overall supply chain (and we take the management off of your plate, too).

### WHO WE ARE

Go By Truck was founded based on practical application. With over 25 years in manufacturing and private fleet ownership, Go By Truck's CEO, Kevin Hiller, knows the industry and the importance of having the right tools for the job. After seeing the desperate need for practical technology solutions, Dawn Strobel brought her 13 years in technology and transportation to the Go By Truck team. Cole Hamels is an active part of the Go By Truck team and is involved in everything from sales to operations. His passion to do good both on and off the field brought Cole to GBT where mission and purpose come before profit.... and he occasionally plays baseball.

### OUR SERVICE

Go By Truck prides itself on providing consistent superior service (which explains why 60% of our clients are owed to referrals). Go By Truck is more than just an answering service, we have Account Managers staffed 24/7/365 to handle your most complex and critical shipments.

### OUR PEEPS

We believe in the value of relationships. Every customer is personal to us and to our team. We will know your company's supply chain inside-out, your team, your vendors, your plans, and what keeps you up at night. It's our job to help create new efficiencies and solve your current transportation problems, all while building strong relationships with our customers along the way!

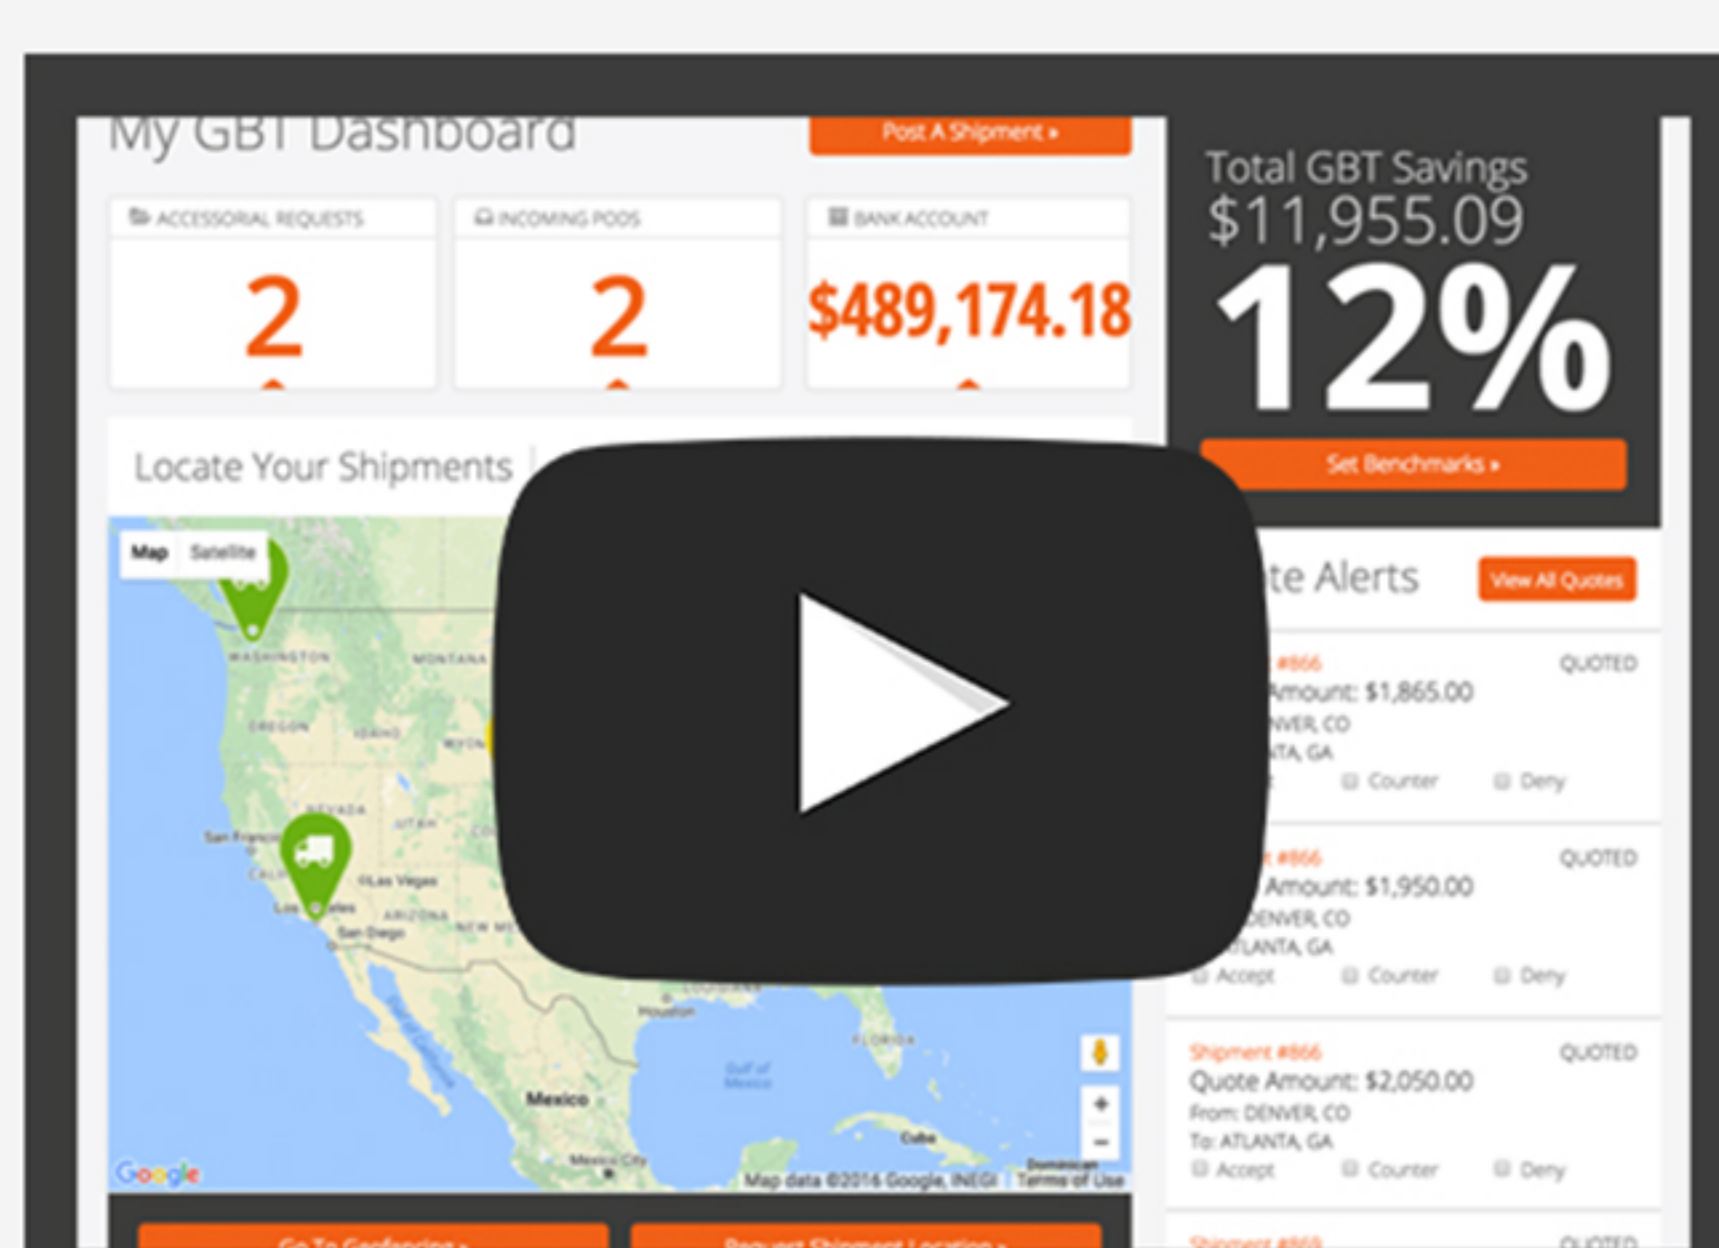

**DUPONT CHEMICAL**  
Logistics Category Manager  
I was first introduced to GoByTruck to manage our tail spend but they quickly rose to the top of our vendor list. We have saved far more than projected since their inception and they are now our top ranked provider in performance.

**SCHREIBER FOODS**  
Transportation Director  
We love our GBT team. They have produced double digit savings month over month. We have since entrusted them with our most important and critical business where they deliver impeccable service.

### JOIN OUR WEBINAR
